☆ WHERE'D THESE COME FROM ☆

1. In Shakespeare's time, mattresses were secured on bed frames by ropes. When you pulled on the ropes, the mattress tightened, making the bed firmer to sleep on. That's where the phrase, "**goodnight, sleep tight**" came from.
2. It was the accepted practice in Babylon 4,000 years ago that for a month after the wedding, the bride's father would supply his son-in-la with all the mead he could drink. Mead is a honey beer and because their calendar was lunar based, this period was called the "honey month" or what we know today as the **honeymoon**."
3. In English pubs, ale is ordered by pints and quarts. So in old England, when customers got unruly, the bartender would yell at them to mind their own pints and quarts and settle down. It's where we get the phrase "**mind your P's and Q's**".
4. Many years ago in England, pub frequenters had a whistle baked into the rim or handle of their ceramic cups. When they needed refill, they used the whistle to get some service. "**Wet your whistle**," is the phrase inspired by this practice.
5. In ancient England, a person could not have sex unless you had consent of the King (unless you were in the Royal Family). When anyone wanted to have a baby, they got consent of the King, the King gave them a placard that they hung on their door while they were having sex. The placard had F.*.*. (Fornication Under Consent of the King) on it. Now you know where that came from.
6. In Scotland, a new game was invented. It was entitled Gentlemen Only Ladies Forbidden....and thus the word **GOLF** entered into the English language.
7. The phrase "**rule of thumb**" is derived from an old English law which stated that you couldn't beat your wife with anything wider than your thumb.

☆ **SUPPORTING SANCTUARY** ☆

Leigh raved about last years experience! For this year, the **Sanctuary Invitational Dinner** is scheduled for **Sat., Feb. 19, at 6:00.** Leigh is coordinating arranging tables for Rotary members at this dinner. Don and Brenda Hooper sure know how to put on a spread. Last year they raised \$2,700. Sanctuary is an activity Rotary formally supports and this dinner replaces any separate fund raising. Are you interested; for more information see Leigh.

☆ **FLOAT - TRAIL FIESTA DAYS** ☆

A great project to promote our club; it's great people, history and service. **Peter Morgenthaler** is chairing the float committee and he can definitely use a hand. Approach Peter, he's a wonderful club member and supporter.

☆ **JAN'S UPDATE** ☆

At the last meeting Jan reported out on the status of the "Hospital Accommodation Project" Project. Things are definitely in the wind. The Beaver Valley and Grand Forks Clubs are on board with our project. Also, FAIR is preparing an implementation Plan. Jan indicated that a couple of neat fund raisers are in the works.

"If we each work 4 jobs, we'll have enough money to retire, because we'll both be dead before we reach age 65."

☆ **SIGN, SIGN, EVERYWHERE A SIGN** ☆

As **Walt Siemens** takes over the responsibility for signage, many thanks are extended to **Joe Mykiety**n for the service he has provided in this area over the years. I remember being out digging and hauling with Joe as we worked on the main approach signs which advertise local service clubs. Many thanks, Joe! in addition, a major thank you is extended to **Steven Harper** at Interior signs for making up a new Rotary "Circle"

☆ **CELEBRATING ROTARY'S 100TH** ☆

Don't miss the **Wed., Feb. 23 Meeting**; it's a milestone. Rotary is 100 years young and this is the designed for best birthday wishes. It's not a secret, but i hear there's something going on related to certificates.

The Rotary centennial Service Award is open only to non-Rotarians. Elizabeth has been asked by D.G. Lloyd to seek a likely candidate and to coordinate the award presentation in our District. For our community, **George Braithwaite** has been identified as a qualified candidate and his name will be submitted to the our club for consideration.
