☆ YOUTH FRIENDSHIP TOUR ☆

May 25th – June 5th, 2005

All the Rotary students in our District will participate in this annual event. This year the tour will start in Trail on May 25th. We are required to host 39 students for ONE night. We will have a signing form requesting each Rotarian to host a student on **May 25th**. We will likely organize a BBQ that evening with all the students and our club. Many thanks in advance. From: Margarita Loyola, Cheryl Yates and Shelley Lewchuk

☆ ROTARY CONFERENCE 2008 ☆

May 29 to June 1, 2008 - City of Trail
An Update From Elizabeth Cytra

The theme will be "**Music**". I am are working on ideas to promote "World Understanding and Peace" using music as the central theme of the Conference. I invite all members of the Club to consider this theme. It is our chance to show that the Trail Conference will be the best that has ever been held in our District. The theme will be used on all publicity brochures and newsletters throughout the District and beyond...

☆ **POLIO-WORLD ERADICATION** ☆

a great rotary humanitarian story

UPDATE: January 2005 International PolioPlus Committee Statements on Current Facts and Figures Relative to Polio Eradication and the Role of Rotary International in the Global Effort (Implemented - 1985)

“By the time the world is certified polio-free, Rotary’s contributions to the global polio eradication effort will exceed US\$600 million. More than one million Rotarians worldwide have contributed toward the success of the polio eradication effort to date.”

- 122 nations around the world have benefited from PolioPlus grants
- 5 million people, mainly in the developing world, who would otherwise have been paralyzed, will be walking because they have been immunized against polio. More than 500,000 cases of polio are now prevented each year.
- More than two billion children have received oral polio vaccine." In 2003, over 400 million children were vaccinated in 55 countries using over two billion doses of oral polio vaccine."
- “In 1988, 10% of the world’s children lived in polio-free countries; as of 1 July 2004, over 70% are living in polio-free countries.”
- “The number of cases of polio has declined by 99% since Rotary launched the PolioPlus program.”
- “A child can be protected against polio for as little as US\$.60 worth of vaccine.”
- The number of polio endemic countries has declined from over 125 countries in 1985 to 6 countries at the end of the year 2003. The number of polio cases has declined by more than 99% since 1985.
- By late 2003, wild poliovirus transmission had been interrupted in all but six countries in the world. Three of these countries, Nigeria, India and Pakistan, accounted for approximately 90% of cases.
- “Two hundred and ten (210) countries, territories and areas are now polio-free, and 134 of these have been certified polio-free by independent commissions.

Twenty years from now you will be more disappointed by the things you didn't do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails. Explore. Dream. Discover. - *Mark Twain*

☆ **TRAIL ROTARY HISTORY** ☆

IT WAS 1999 - Sponsored Castlegar Sunrise Club. KBS Radio Survey ranked the Trail Rotary Club as the Best Civic Club. Trail Club was also recognized for achieving 3rd place in the District 5080 Membership Growth Drive.

WOMEN'S REVENGE

"Cash, cheque or charge?" I asked, after folding items the woman wished to purchase. As she fumbled for her wallet I noticed a remote control for a television set in her purse. "So, do you always carry your TV remote?" I asked. "No," she replied, " but my husband refused to come shopping with me, so I figured this was the most legal evil thing I could do to him."
