How far you go in life depends on your being tender with the young, compassionate with the aged, sympathetic with the striving, and tolerant of the weak and strong. Because someday in your life you will have been all of these. - *George Washington Carver*

☆ UNSUNG HERO ☆

This Rotarian is always a pleasure to see - always a kind word or a great story. Definitely, **Ernie LaLonde** is one of our best community ambassadors. Well done Ernie!

**“You Could Be The Next Special Person”**

How to Tell the Sex of a Fly

A woman walked into the kitchen to find her husband stalking around with a fly swatter.  
"What are you doing?" She asked.  
"Hunting Flies" He responded.  
"Oh. Killing any?" She asked.  
"Yep, 3 males, 2 Females," he replied.  
Intrigued, she asked. "How can you tell?"  
He responded, "3 were on a beer can, 2 were on the phone."

☆ IT'S SO SIMPLE

- EMBRACE LIFE ☆

**Maya Angelou** was interviewed by Oprah on her 70+ birthday. Maya really is a marvel who has led quite an interesting and exciting life. Oprah asked her what she thought of growing older. And, there on television, she said it was "exciting." Regarding body changes, she said there were many, occurring every day...like her breasts. They seem to be in a race to see which will reach her waist, first. The audience laughed so hard they cried. She is such a simple and honest woman, with so much wisdom in her words:

- "I've learned that no matter what happens, or how bad it seems today, life does go on, and it will be better tomorrow."
- "I've learned that you can tell a lot about a person by the way he/she handles these three things: a rainy day, lost luggage, and tangled Christmas tree lights."
- "I've learned that regardless of your relationship with your parents, you'll miss them when they're gone from your life."
- "I've learned that making a "living" is not the same thing as making a "life."
- "I've learned that life sometimes gives you a second chance."
- "I've learned that you shouldn't go through life with a catcher's mitt on both hands; you need to be able to throw something back."
- "I've learned that whenever I decide something with an open heart, I usually make the right decision."
- "I've learned that even when I have pains, I don't have to be one."
- "I've learned that every day you should reach out and touch someone. People love a warm hug, or just a friendly pat on the back."
- "I've learned that I still have a lot to learn."
- "I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."
