☆ WHATEVER WORKS ☆

(Thanks to Lana)

A man and woman were sitting beside each other in the first-class section of a jet liner. The woman sneezed, took out a tissue, gently wiped her nose, then visibly shuddered and shook for ten or fifteen seconds.

The man went back to his reading. A few minutes later, the woman sneezed again, took a tissue, wiped her nose, then shuddered quite violently once more.

Assuming the woman might have a cold, that caused the sneezing, the man was still curious about the shuddering, but went back to his book.

A few more minutes passed when the woman sneezed yet again. As before, she took a tissue, wiped her nose, her body shook even more than before.

Unable to restrain his curiosity, the man turned to the woman, and said, "I couldn't help but notice that you've sneezed three times, wiped your nose, then shuddered violently. Are you okay?"

"Sorry if I disturbed you," the woman replied. "I have a very rare medical condition; whenever I sneeze, have an orgasm."

The man, more than a bit embarrassed, was still curious. "I've never heard of that condition before, he said. "Are you taking anything for it?"

"Yes," the woman nodded. "Pepper."

☆ ROTARY INTERACT CLUB ☆

Last week, the new executive members, **Kelynn Glover and Jill Davidson**, from the newly formed Rotary Interact Club at the high school joined us for lunch. Currently 26 to 28 students are showing interest. Congratulations to past president Lana Rodlie for getting this group started.

Rotary Clubs seek area professionals for goodwill exchange to Bolivia

Rotary Club members of District 5080 are seeking four outstanding professionals to visit Bolivia, April 8 – May 6, 2006 as part of the Group Study Exchange Program of the Rotary Foundation of Rotary International.

Through the program, teams of young professionals from two different countries exchange visits. For four weeks, team members experience the way of life, customs, and vocational practices of another country, while sharing information about their homeland.

The purpose of the Group Study Exchange program is to promote international understanding and goodwill through personal connection. While abroad, team member's stay in Rotarians' homes and have the opportunity to meet their professional counterparts. They also give presentations to Rotary clubs and other groups about their home country.

The Rotary Foundation pays for round-trip airfare, and Rotary club members in the host country provide meals, lodging, and group travel in their district. Team members pay for personal and incidental expenses.

Young adults between the ages of 25 and 40 who are interested in applying should be employed full-time in a business or profession and have worked in that profession for at least 2 years. Applicants must live or be employed in District 5080. (Northeastern Washington, north Idaho or southeast British Columbia, Canada)

For an application or more information, you may contact your local Rotary President. Applications must be received by August 31st to be considered.

A rock pile ceases to be a rock pile the moment a single man contemplates it, bearing within him the image of a cathedral. - Antoine de Saint-Exupery

☆ BOB HOPE ON AGE ☆

- **On turning 70:** "You still chase women, but only downhill."
- **On turning 80:** "That's the time of your life when even your birthday suit needs pressing."
- **On turning 90:** "You know you're getting old when the candles cost more than the cake."
- **On turning 100:** "I don't feel old. In fact I don't feel anything until noon. Then it's time for my nap."

**☆ THE ROTARY MAGAZINE ☆
History**

The first issue of *The National Rotarian* was published in January 1911. This 12-page tabloid was considered the best way to distribute an essay written by Rotary founder Paul Harris. The essay was titled, "Rational Rotarianism." There was also club news and advertisements. About 2,000 copies were produced by printer Harry Ruggles, one of the first members of the Rotary Club of Chicago. Soon the issue went back to press for another 2,000 copies. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners have written for the magazine. A partial list of eminent contributors includes: Thomas Mann, Edith Wharton, Knute Rockne, Frank Lloyd Wright, Mahatma Gandhi, Winston Churchill, Helen Keller, Eleanor Roosevelt, Norman Vincent Peale, Pearl S. Buck, Lowell Thomas, Betty Friedan, Willy Brandt, Javier Perez de Cuellar, Arthur C. Clarke, Richard Armour, Kurt Vonnegut, Jr., Rabbi Harold Kushner, Isaac Asimov, Cleveland Amory, Octavio Paz, and Jimmy Carter.
